Re: Ferrick, et al. v. Spotify USA Inc. et al., No. 16-CV-8412 (AJN)

Dear Judge Nathan:

We write jointly on behalf of the parties in the above-referenced action and report that we have reached a signed class action settlement agreement, subject to the Court's approval. Concurrently with this letter, Plaintiffs are filing their unopposed motion for preliminary approval of the settlement and supporting papers, which include the settlement agreement itself. The parties stipulate to proceeding with the case-management conference set for June 2, 2017, and, if the Court wishes, addressing the pending unopposed motion for preliminary approval. In light of the filing of the settlement agreement, the parties respectfully submit this letter in lieu of a formal case management conference statement. The parties also recognize that the Court may want to vacate the case management conference in light of these developments.

Sincerely,

Steven G. Sklaver
